PROGRAMMA

What's new in hand surgery in the last two years - “Keep up to date”
Milan, March 25-26, 2021

Thursday 25th March 2021
14.30-15.35 TENDONS
14.30-14.40 INTRODUCTION
Giorgio Pajardi
14.40-14.55 Variation and evolution of flexor tendon management
Chiara Parolo
14.55-15.15 Flexor muscles contracture: fractional lengthening
Caroline Leclercq and Ahlam Arnaout
15.15-15.35 Zone 2 flexor tendon surgery in 2020: should we really need stronger recommendation to act for improving outcome?
Maddalena Bertolini

15.35-16.55 OPEN SESSION
15.35-15.50 Tendon repair in children: current management and new approaches
Elisa Rosanda
15.50-16.05 Current trends in tendon rehabilitation
Rossella Pagliaro
16.05-16.15 Tendon surgery: clinics and research towards the future
Franco Bassetto
16.15-16.25 Digital pulley system: old questions - new answers
Andrea Zoccolan and Irene Zotta
16.25-16.35 Flexor tendon repair development: from surgery to regenerative procedure
Michele Riccio
16.35-16.45 Secondary flexor tendon reconstruction: heterodigital hemi-tendon transfer and variation of technique
Pier Luigi Tos
16.45-16.55 Healing and timing of primary flexor tendon repair from day 1 to day 30 ... can we say that?
Sandra Pfanner and Giovanni Munz

16.55-17.10 DISCUSSION or BREAK

17.10-17.55 Lecture
New directions in surgery for osteoarthritis of the carpo-metacarpal joint of the thumb
Neil Jones

Friday 26th March 2021
09.00-09.45 SKIN
09.00-09.10 INTRODUCTION
Giorgio Pajardi
09.10-09.25 LITERATURE OVERVIEW
Luigi Troisi
09.25-09.45 New frontiers in upper limb reconstruction
Francisco Del Piñal

09.45-10.55 OPEN SESSION
09.45-10.00 Perforator flaps for upper limb reconstruction
Francesco Zanchetta
10.00-10.15 Rehabilitation in upper limb reconstruction
Simone Seppi
10.15-10.25 Upper limb reconstruction after tumoral excision
Emanuele Cigna
10.25-10.35 Adipofascial flaps in upper limb reconstruction
Gabriele Delia
10.35-10.45 Upper limb reconstruction after trauma
Mario Cherubino
10.45-10.55 Upper limb reconstruction in burn patients
Michele Maruccia

10.55-11.10 DISCUSSION or BREAK
11.10-12.15 BONE
11.10-11.20 INTRODUCTION
Giorgio Pajardi
11.20-11.35 LITERATURE OVERVIEW
Mario Paracuollo and Andrea Ghezzi
11.35-11.55 Semi-circular external fixation in hand surgery
Alberto Lazzerini
11.55-12.15 Druj instability management - the role of distal interosseous membrane
Gustavo Mantovani

12.15-13.45 OPEN SESSION
12.15-12.30 One mini-hole technique for proximal row carpectomy
Mattia Carozzo
12.30-12.45 Proprioceptive techniques for treatment of dorsal wrist ganglion
Alessandra Menegari
12.45-12.55 Fragility fractures in the third millennium: the management of distal radius fractures and the elderly
Giancarlo Caruso
12.55-13.05 Volar marginal rim fracture fixation with volar fragment-specific hook plate fixation
Alessandro Fagetti
13.05-13.15 Scaphoid non-union: arthroscopic treatment
Alberto Sgarbossa
13.15-13.25 Capflex prosthesis
Davide Smarelli
13.25-13.35 Arthroscopic Interposition Tendon Arthroplasty for Stage 2 slac wrist
Lorenzo Merlini
13.35-13.45 Indication in 3D printing in distal radius correction in post-traumatic and Madelung deformity
Massimo Corain

13.45-14.25 BREAK FOR LUNCH

14.25-15.50 NERVES
14.25-14.35 INTRODUCTION
Giorgio Pajardi
14.35-14.50 LITERATURE OVERVIEW
Chiara Novelli
14.50-15.10 Nerve transfers - new frontier
Bruno Battiston
15.10-15.30 Paediatric brachial plexus palsy – new strategies
Filippo Senes
15.30-15.50 Brachial plexus injuries what’s new on repair?
Riccardo Giunta

15.50-17.10 OPEN SESSION
15.50-16.05 Role of ultrasound in evaluation of peripheral nerve injury and compression
Giulietta Proserpio
16.05-16.20 Neurorehabilitation and neurogliding
Elena Mancon
16.20-16.30 Thoracic outlet syndrome, does it still exist?
Nicola Felici
16.30-16.40 Ulnar nerve transfer in the hand, cadaveric studies and application
Michele Colonna
16.40-16.50 Nerve tumours
Roberto Adani
16.50-17.00 Short nerve gap
Ignazio Marcoccio

17.00-17.10 Stem cell and skin regeneration
Yvan Torrente

17.10-17.25 DISCUSSION

17.25-17.40 CLOSING REMARKS

RELATORI E MODERATORI

Adani Roberto, Modena
Arnaout Ahlam, Paris, France
Bassetto Franco, Padova
Battiston Bruno, Torino
Bertolini Maddalena, Torino
Carozzo Mattia, Milano
Caruso Giancarlo, Firenze
Cherubino Mario, Varese
Cigna Emanuele, Pisa
Colonna Michele Rosario, Messina
Corain Massimo, Verona
Del Piñal Francisco, Madrid, Spain
Fagetti Alessandro, Varese
Felici Nicola, Roma
Ghezzi Andrea, Castellanza
Giunta Riccardo, München, Germany
Jones Neil, Los Angeles, USA
Lazzerini Alberto, Milano
Leclercq Caroline, Paris, France
Mancon Elena Marta, Milano
Mantovani Ruggiero Gustavo, Sao Paulo, Brazil
Marcoccio Ignazio Mario, Brescia
Maruccia Michele, Bari
Menegari Alessandra, Castellanza
Merlini Lorenzo, Paris, France
Munz Giovanni, Firenze
Novelli Chiara, Milano
Pagliaro Rossella, Milano
Pajardi Giorgio Eugenio, Milano
Paracuollo Mario, Milano
Parolo Chiara, Milano
Pfanner Sandra, Firenze
Proserpio Giulietta, Milano
Riccio Michele, Ancona
Rosanda Elisa, Milano
Selvetti Claudia, Milano
Sénès Filippo Maria, Genova
Seppi Simone, Milano
Sgarbossa Alberto, Brescia
Smarrelli Davide, Bergamo
Torrente Yvan, Milano
Tos Pierluigi, Milano
